rally*rally*rally

Showing our Whitman-Hanson spirit in this yearly tradition.

Every year, Whitman-Hanson students participate in a school-wide rally before Thanksgiving break. Seniors wear black clothing, juniors wear red, and underclassmen wear white. The rally is a great send-off to our football players who play against Abington on Thanksgiving morning, but now it is more focused on "who can do it best."

All grades compete to have the best banners and school spirit, and it is the trend that seniors usually prevail. Also, senior and junior boys participate in powderpuff cheerleading and go head-to-head in front of the entire school in order to win glory for their class. This year,

"Rally is nice because we get out of class for the afternoon"

Alicia Coletti

the senior boys seemed to have won the crowd over.

Student groups perform including the buton twirlers, dance team, and cheerleaders. The Whitman-Hanson cheerleaders never fail to amaze, and their routine included many incredible stunts. It truly is inspirational to see such talented groups perform that are composed of Whitman-Hanson High School friends.

"Over all 4 years we think senior rally was the best, we all came together and it was a lot of fun."
-Barbara Intravaia
-Emilee Howard

"We thought rally was really fun this year and at the end we all came to the middle and started dancing there was even crowd surfing and everything."
-Mary Mitchell
-Kristin Messier

" My favorite part of the production was meeting new people. The show made it so I was able to come into my freshman year and make a lot of new friends."

"I loved getting so close with all the cast members, and I'm going to miss the seniors a lot. 'Having a brain don't make parting any easier'....yeah."

"Are you a good witch, or a bad witch?"

"I had so much fun putting on the show, I learned a lot. And I'm really going to miss all the cast members."

Kathryn Ridder, who has a theater degree and works for Waverly Oaks Golf in Plymouth, calls school plays her passion. “I’m so lucky and this is the greatest place with great students,” she said, “It’s a great place to be.”

The cast of this year's performance consisted of dozens of students ranging in age from 7 to 18 from across the district who auditioned for their parts. Ridder took their personalities into consideration, and the fact that students have grown up watching the movie on TV meant that everyone had an idea of how to play the characters; while they closely followed the way characters are portrayed on film, they also added their own personalities. “It’s very hard because you sometimes aren’t sure who you are going to get,” she said of the casting process. “But it seemed like everybody just fell into place.”

Wizard of Oz

Class of 2012

'Twas The Year of the Apocalypse

'Twas the night before graduation
And all through the school
Not a senior was stirring
Not even at the 4th floor pool

Diplomas were filed by Szymaniak with care
And all the hippest girls put feathers in their hair
Our awaited departure was ever so close
And not to be interrupted by Amado's burnt toast

In transition to high school we had avoided Myspace
And created profiles on the 'Book of Face'
We stayed quiet in the halls till we learned the ropes
And looked forward to upperclassman status with high hopes

We had been welcomed to WH by Mr. Lee
And his posted Obey signs were only a little scary
We dodged food items thrown around the cafeteria
And tried not to get caught up in the Swine Flu hysteria

Sophomore year came without Michael Jackson
With the fake anthrax scare, the police took action
To Thrasher, Lozzi, and Carson, we said our goodbyes
And no more loud commercials, 'cause Billy Mays died

Water in the classroom was new to the school
The Black Eyed Peas and Lady Gaga were cool
On our feet we wore UGGs; on our backs we wore NorthFace
And so began the start of the Jersey Shore craze

Our Junior year we made national news
Even people out in Texas blew a fuse
As they found out freshmen couldn't wear pink
Someone on the second floor made a huge "stink"

With a lack of MCAS we prepared for SATs
And like years before, the stairs made us wheeze
Every day was a Friday with Rebecca Black
And all those snow days got us way off track

We started our last year in bittersweet joy
We were ready to leave . . . no need to be coy
Senioritis kicked in early in the fall
And once again we lip dubbed and danced down the halls

Irene beat us up and we were out for three days
Despite all the damage we remained unfazed
Although we were late we were earlier than before
With the 7:05 start time we could sleep late no more

Although eager to leave and start off anew
We'll miss the place where our friendships grew
As we finished our years and drove out of sight,
We exclaimed, "Happy graduation to all, and to all a good life!"

Delphine Guille

The short amount of time that I've been in WHHS was great. Teachers, Students, Clubs, Sport's events…I loved all of it! I will remember this experience for the rest of my life. I want to give a big thank you to my host family who took care of me and gave me a second home. I will miss all the friends I made in the short amount of time and Denise from Honey Dew.

For a while I've held onto the belief that I should strive to be memorable how I live and "share," not that I should strive to be popular, 'cuz for the vast majority of people: a persons' character lasts longer in others' minds than the few years of our young adult "maturities." For all those who have learned are learning from my character… or have done the same for me for the last months… to change the world around you, just make a difference even by standing out for the better.

Andrew McGinnis

In Memory of Michael McDaniel

No Person is Ever Truly Alone
by Richard Fife

No person is ever truly alone.
Those who live no more,
Whom we loved,
Echo still within our thoughts,
Our words, our hearts.
And what they did
And who they were
Becomes a part of all that we are,
Forever.

We Miss You, Mike

Class of '12 Parent Messages

The Whitman-Hanson 2011-12 Yearbook Staff would like to thank these parents for helping to make this student-made and student-funded publication a reality. Without the parent advertisement sales, we would not be able to have this beautiful color-printed Yearbook to house the memories we have made in our time at WHRHS. While we may have only been at this highschool for four years, the memories will last a lifetime.

Ms. Elena Finiello
WH Teacher
1978-2012

Thank you for your years of service to Whitman-Hanson!!

From Ms. Nina Consolini

I have been fortunate to work with Ms. Finiello for 7 years. When I started at WH, I was new to teaching and she was a veteran teacher – but new to the high school. Lucky for me she was placed in the classroom across the hall from me. This allowed me to seek advice from her when needed - she taught me many tips for the classroom (and Photoshop) over the years but mostly became a good friend – it must be the Italian in us!

From Mr. Mark Ryan

Congratulations on your retirement, now you will have plenty of time to keep up on the Red Sox, which may or may not be a good thing.

WHRSD Art Teachers' Development

From Ms. Chris Maher

It has been great working with Ms. Finiello over the years. I will always remember the fun we have had on the many fieldtrips we have taken to Scholastic exhibits and art schools. I wish her the very best for her retirement.

From Ms. Julie Giglia

Elena – You left your GREAT mark at Whitman-Hanson in the photos you take and the graphic work you have done....you will be missed ....Best of Luck in your retirement years and future endeavors!! Sincerely! Julie Giglia

From Ms. Lydia Nelson

Not just a colleague, but a friend. She shares her time and talents with anyone. The entire school has been moved each year by her Veteran's Day tribute. I have happy memories walking together at the Breast Cancer Walk and volunteering at the Relay Survivor's tent. I wish you many happy trips, sunny days to do what you want to do because you do not have to be here so early! Paisano, happy retirement!

Art Field Trip

From Mr. Bob Rodgers

If a picture is worth a thousand words, then Ms. Finiello has written one of the most incredible novels. Her impact on our school and students will be felt for years to come. We wish her the best in her retirement.

From Mr. Jeff Szymaniak

Ms. Finiello has nurtured the creative energies of many students at Whitman-Hanson through her dedicated service in the district as a teacher of fine arts. Thank you for all you have done to enhance our community spirit. Our Panther Pride appreciates all your work! Best wishes for life after WH!

From Mr. Don Legge

Elena your logo for show choir will live on at WH! Thanks for everything.
